TEXTBOOK: TRIGONOMETRY. By Sullivan, 10th Edition

MATERIALS NEEDED A calculator with trig functions is required.

You must have a DSU canvas email address that you check regularly. This address will be used to confirm your registration and for other communication about the course. Your instructor will also use this email address to communicate with you

Class Structure: This section will have an extensive computer based component. This means all homework, reviews, and tests will be done, checked and submitted to the instructor through a computer program called MyMathLab (MML). You will need access to a computer with internet for daily assignments. Computer labs on campus are available to those students who do not have internet access. Within Canvas you will see a feature on the left side for MyLab and Mastering. Click on it and open MyMathLab using the link.

Homework: Assignments are to be completed in MML. Due dates are also posted in MML.

- You must score a minimum of 70% on your homework sets in order to access the test associated with those sections.
- You get three attempts to get a problem correct. If after the third attempt you still have not gotten the problem correct, you may request a similar problem to be generated and graded by clicking on the "Help Me Solve This" button of the homework window. You are encouraged to repeat homework problems and obtain a perfect score before the due date.
- It is very important that you keep current on the assignments.
- Homework is worth 20% of your overall grade.

Test Reviews: Test reviews are to be completed in MML. Due dates are also posted in MML.

- No minimum score is required on your test reviews in order to access the test associated with the reviews.
- You get three attempts to get a problem correct. If after the third attempt you still have not gotten the problem correct, you may request a similar problem to be generated and graded by clicking on the "Similar Exercise" button at the bottom of the homework window. You are encouraged to repeat review problems and obtain a perfect score before the due date.
- If you do not know how to solve a problem, you may select the "Help Me Solve This", "Textbook" or other help features in the right hand menu in the MML review window.
- Your test review scores will count as homework scores.
- You are highly encouraged to do the reviews to help you prepare for your tests

Tests: Four tests will be given. Each test will be 15% of your overall course grade. All tests must be taken in the Testing Center. You may take each test only once. Students are expected to take the tests as scheduled in the syllabus. You may not access the test after the due date. Make-up exams will NOT be

given except in documented emergencies, such as death in immediate family, hospitalization (documentation required), active military duty, DSU-sponsored-events requiring mandatory attendance (proof of attendance required). You must notify your instructor immediately in the case of an emergency for consideration and get prior consent if not an emergency. The lowest test score (percentage) can be replaced with the final exam percentage. You may not access other websites or wear headphones while taking the midterm exams.

Final Exam: The final comprehensive exam worth 20% of your overall course grade must be taken (see schedule) You may take the final comprehensive exam only once. You may not access any other websites or wear headphones while taking your final exam.

Grading Scale and Policy:

Category	Weight
Exams	60%

D+ 60-64	D 55-59	D- 50-54	F 0-49

Respect for Others: Please plan to arrive on time and be prepared to work (i.e., have your pencil, eraser, book, paper, homework, and calculator). Additionally, please feel free to offer your opinions and questions to the class, but do not carry on side discussions. **Cell phones should be turned off during class and please refrain from text messaging.** In general, students may not engage in an activity which the instructor deems disruptive or counter-productive to the goals of the class. Instructors have the responsibility to remove offending students from the class. Repetition of offensive behavior may result in expulsion from the class.

Dishonesty: Dishonesty will not be tolerated in any form. Any student cheating on a test will receive a zero. Giving as well as receiving information is dishonest, so be aware of those around you while taking tests. <http://www.dixie.edu/humanres/policy/sec3/334.html>. Instructors are required, by college policy, to report dishonesty to the student conduct committee

Policy for Absences Related to College Functions: <http://www.dixie.edu/humanres/policy/sec5/523.html>

Disability Resource Center (DRC): If you are a student with a medical, psychological, or learning disability or think you might have a disability and would like accommodations, contact the Disability Resource Center (652-7516) in the North Plaza. The Disability Resource Center (<http://dixie.edu/drcenter/>) will determine eligibility of the student requesting special services and determine the appropriate accommodations related to their disability.

Library: A copy of the text and complete solutions manual for in-house use only are at the Reserve Desk in the Library. For more information concerning the library and hours of operation go to <http://library.dixie.edu>

Tutoring Center, eLab, Supplemental Instruction: This spring we will continue offering supplemental instruction for students seeking extra help in their courses. Please check in eLab for the Supplemental Instruction schedule as well as checking with your instructors.

The Tutoring Center is located on the fourth floor of the Holland Centennial Commons. Drop-in mathematics tutoring is available. More information is available at <http://dsc.dixie.edu/tutoring/index.htm>

Testing Center: <http://dixie.edu/testing>

Computer Lab: The Computer Lab is located in the Smith Computer Center. For more info. go to <http://dixie.edu/cit/cis/>

Dmail: You are required to frequently check your Dmail account. Important class and university information will be sent to your Dmail account, including DSU bills, financial aid/scholarship notices, notices of cancelled classes, reminders of important dates and deadlines, and other information critical to your success at DSU and in your courses. To access your Dmail account, visit go.dixie.edu/dmail. If you do not know your Dmail username or you have forgotten your PIN, visit go.dixie.edu/mydixie and follow the respective instructions.

MyMathLab (MML): Please make sure you check your MML account frequently. Go to <http://www.mymathlab.com/> to access MML.

Withdrawing from or dropping a class: If you never attend a class, the instructor may withdraw you from it. If you attend even one day, the instructor cannot withdraw you from the class. Since not all instructors will withdraw you for non-attendance, you should take care of that transaction for yourself by going to the registration window. If you quit attending and do not withdraw from the class, you will receive an F or WF which averages into your GPA as an F.

Changing your schedule: It is your responsibility, as the student, to ensure the accuracy of your class schedule. Be sure to check at the beginning of the semester and after every change you make to your schedule. Run a hard copy and keep it!

Complete Withdrawal: Dropping all classes by phone or online does not withdraw you from the college and you may receive all F's. You must contact the Advisement Center, complete a withdrawal form, and surrender your student ID card

Changes: Although unlikely, this syllabus and/or the assignment schedule may be changed if deemed necessary by the instructor. All changes will be announced in class and/or sent to you via MML
